OBJECTIVE

Electrical and Electronics Engineering graduate (Second Class Upper, CGPA 4.09 / 5.00) seeking a role in industry, energy, or engineering operations, and open to funded graduate study. I can work from an electrical system through to the software around it.

EXPERIENCE

Software Developer · First Digit Communications Ltd. Sep 2024 - Present

Abuja, Nigeria (remote from Owerri). Industrial training for the degree was completed here.

- Built a learning platform: courses, enrollment, and progress tracking.
- Built an online shop with catalogue, checkout, stock, and payments.
- Built a directory of Nigerian schools so parents can search and compare them.
- Delivered the company website and a professional association website.
- Set up a camera security system that alerts when a face is recognised.

EDUCATION

B.Eng. Electrical and Electronics Engineering 2021 - 2025

Federal University of Technology, Owerri (FUTO) · Electronics and Computing, SESET
Second Class Upper · CGPA 4.09 / 5.00
Final-year project: AgroSense360, a sensor and camera rover for crop advice.

AWARDS AND CERTIFICATION

Best Stablecoin Adoption, Celo Agents at Work Hackathon, Sep 2026. Group payment tool (Earmark).

Wave 1 winner, Midnight Buildathon, Sep 2026. Checkable pay-gap report (Equilux).

Pitched, InnovateX, Blaze by Ecobank, 15 Oct 2026. Shigo marks a sale paid only when the money shows in the seller's own bank app.

Certificate, Artificial Intelligence and Robotics, SESET, FUTO, Oct 2025.

Certificate, Motoko Bootcamp, Mar 2022. A one-week course in building software on the Internet Computer (ICP) blockchain.

Ambassador, Hyperbolic (AI cloud), 2024. Selected from an open application.

SKILLS

Engineering	Electrical and electronics, sensors, ESP32, Arduino, Proteus
Computing	Python, C/C++, JavaScript, web applications
Languages	English (fluent), Igbo (native), Spanish (learning)

INTERESTS

I like exploring something new, thinking an idea through, and building it. I also play games, watch movies, and I am learning Spanish on Duolingo.
